UNDERSTANDING THE "RULES OF THE GAME"

With the continued success of Kansas Athletics, the Athletic Compliance Office wants you to understand how you can help KU coaches and student-athletes. Institutional control of athletics is a fundamental requirement of NCAA legislation. Specifically, the NCAA constitution provides that each institution shall be responsible for:

- Controlling its intercollegiate athletics program in compliance with the rules and regulations of the NCAA
- Monitoring its program to ensure compliance with identifying and reporting to the NCAA instances in which compliance has not been achieved and taking appropriate corrective action.
- Ensuring that members of the institution's staff, student-athletes and other individuals or groups representing the institution's athletics interests comply with all applicable NCAA rules.

Under NCAA rules, KU is responsible for all actions of its boosters. Therefore, it is also our responsibility to make you aware of consequences for violating the rules pertaining to permissible booster activity. Boosters found in violation are subject to losing benefits and privileges, including season tickets. In addition, the NCAA Committee on Infractions has required institutions to disassociate boosters who have violated NCAA rules and regulations from the institution.

COMPLIANCE TERMINOLOGY

BOOSTERS. You are a representative of KU's athletics interests, more commonly known as a "booster," if you meet any of the following conditions:

- You are a member of any organization that promotes KU's athletics program (e.g., Williams Education Fund);
- You have made a financial contribution to the KU athletics department or its booster organization;
- You have assisted in the recruitment of prospective student-athletes for KU;
- You have provided benefits (e.g., summer jobs or occasional family meals) to enrolled studentathletes;
- You are the parent(s) or legal guardian(s) of an enrolled student-athlete; or
- You have, in any way, promoted the athletics program at KU.

Remember: Once an individual has been identified as a booster, he or she retains this identity indefinitely. Even if you are not a booster as defined by the NCAA, know that your actions involving student-athletes can cause violations of NCAA rules. Something as simple as buying a student-athlete lunch at a fast food restaurant is, most likely, a NCAA violation. Please contact the Athletic Compliance Office with your questions regarding impermissible recruiting inducements and extra benefits.

PROSPECTS. A prospective student-athlete, commonly known as a "prospect" or "recruit," is any individual who has started classes for the ninth grade. In addition,

Compliance 101

a student who has not started classes for the ninth grade becomes a prospect if the institution contacts the student for recruiting purposes or provides the student (or the student's relatives or friends) any financial assistance or other benefits that the institution does not generally provide to all prospective students. In addition, student-athletes enrolled in preparatory schools or two-year colleges are considered prospective student-athletes.

Remember: A prospect remains a prospect even after he or she signs a National Letter of Intent or Financial Aid Agreement to attend KU. The prospect does not lose this status until the start of classes at the university or until the beginning of official practice prior to the start of classes, whichever occurs first. After classes or official practice begins, the prospective student-athlete then simply becomes a student-athlete.

contact. A "contact" is a face-to-face encounter between a prospect or the prospect's parent, relative or legal guardian and institutional staff member or athletics representative during which dialogue occurs in excess of an exchange of a greeting. However, any such face-to-face encounter on the KU campus or during a KU event that is prearranged, or takes place on the grounds of the prospect's educational institution or at the site of an organized competition or practice involving the prospect or the prospect's high school, preparatory school, two-year college or all-star team, shall be considered a contact, regardless of the content of the conversation that occurs.

TELEPHONE/ELECTRONIC CORRESPONDENCE CONTACT.

The restriction on contact extends to telephone and electronic correspondence. Any contact by you or any other booster, alumnus or other representative of athletics interest via these modes of communication is prohibited. Electronic correspondence includes, but not limited to, text messaging or any application that functions as a text message (i.e. snapchat), email, any social media methods (i.e. Facebook, Twitter), chat rooms and instant message. Telephone contact is any electronically-transmitted voice exchange including, but not limited to, calls and video conferencing such as Skype and Facetime.

RECRUITING. Any contact by you or any other booster, alumnus or other representative of Kansas Athletics' interests for the purpose of recruitment, is strictly and clearly prohibited.

It is not permissible for any member of Kansas Athletics' staff, alumnus or booster to contact a student-athlete at another institution for the purpose of recruitment. A student-athlete who is attending another institution must receive written permission from their institution before they can have contact with the University of Kansas.

If you know of a prospective student-athlete who may want to attend KU, we encourage you to call the appropriate coach. Contacting a KU coach is the only

permissible recruiting activity in which boosters may participate.

EMPLOYMENT. It is permissible for an athletics representative or alumnus/alumna to contact a prospect regarding summer employment prior to initial enrollment provided the prospect has signed a National Letter of Intent. However, no contact may be made without approval from the Athletic Compliance Office. In addition, the employment arrangement for the prospect may not begin until the prospect has graduated from high school. If the prospect is attending a two-year institution, the employment may not begin prior to the time that the prospect has officially withdrawn from or has completed the requirements for graduation at the two-year college.

EXTRA BENEFITS. It is not permissible to provide any type of assistance to a prospect — financial or otherwise. A representative of Kansas Athletics' interests or a "booster" may not provide ANYTHING to a prospect, their friends or family, even if the prospect has a signed National Letter of Intent or a Financial Aid Agreement.

STUDENT-ATHLETE. A student-athlete is any University of Kansas student who is a member of a varsity athletics team.

EXTRA BENEFITS. An extra benefit is any special arrangement by an institutional employee or booster to provide a student-athlete or his/her relatives or friends with a benefit not expressly authorized by the NCAA legislation. It is a violation of the NCAA rules to provide an extra benefit to a student-athlete.

OCCASIONAL MEAL. You may provide a studentathlete or a team with an occasional meal at your home. This meal can be catered and you may provide the student-athletes with transportation to attend the meal. All occasional meals must be pre-approved by the Athletic Compliance Office.

Together, the University of Kansas and YOU will make this program a success. These reminders will help guide you and ensure that Kansas Athletics operates within the rules and regulations of the NCAA as we continue toward our ultimate goal of academic and athletics excellence. If in doubt, remember that in most cases any contact with or benefits given to a prospect or an enrolled student-athlete or their family or friends is strictly prohibited.

THE NICKNAME: JAYHAWK

The University of Kansas is the home of the Jayhawk, a mythical bird with a fascinating history. Its origin is rooted in the historic struggles of Kansas settlers. The term "Jayhawk" was probably coined about 1848. Accounts of its use appeared from Illinois to Texas. The name combines two birds - the blue jay, a noisy, quarrelsome thing known to rob other nests, and the sparrow hawk, a stealthy hunter.

THE ALMA MATER

In 1891, professor George Barlow Penny searched for a school song for the Glee and Mandolin Club to sing on its tour through Kansas to Denver and back. No one responded with an original song in answer to his appeals. Just before departure, he thought of the Cornell song "Far Above Cayuga's Waters." Hastily changing a few words, he gave it to the glee club men to sing on the trip. He did not expect the song to be used after their return, but "Crimson and the Blue" still goes on. The music is not Cornell's but an old English folk tune, "Annie Lisle."

CAMPANILE HILL

Campanile Hill forms the picturesque backdrop for Memorial Stadium. On a sunny fall Saturday, the "Hill" is transformed into a congregating place for watching Jayhawk football, sunning and barbequing. Potter Lake, just to the southwest of Memorial Stadium and at the bottom of Campanile Hill, adds to the beauty of the Kansas campus.

THE K RING

The K Ring symbolizes a uniquely shared experience between generations of varsity letter winners at the University of Kansas. As a Jayhawk you are expected to uphold tradition and retain the characteristics of a champion while continuing the create your own legacy.

WAVING THE WHEAT

Since the early days of KU sports, it has been a ritual of Jayhawk fans to "wave the wheat" following every Kansas scoring drive in football. The tradition also extends to Allen Fieldhouse where fans "wave the wheat" when an opponent fouls out and at the conclusion of every Jayhawk victory. The ritual consists of fans waving their arms in the air, an activity which, when done by a large crowd, resembles a breezy Kansas wheat field.

THE ROCK CHALK CHANT

The Rock Chalk Chant has been the battle cry of KU fans for more than 80 years. This strange, traditional chant, which is among the most famous of all college cheers, was started by E.H.S. Bailey, a professor of chemistry. On May 21, 1886, Bailey submitted the cheer to his club.

Head Coach

Entering his 20th season as head coach of the University of Kansas volleyball program and 33rd overall, Ray Bechard has led the Jayhawks to unprecedented success on the court and in life. During his 1,000-win career, victories have been the product of a goal but not the goal itself.

The long-time coach with the heart of a teacher has one primary message: contribute more than you consume. His mantra for his student-athletes through the years applies far beyond the volleyball court and into all aspects of life. Bechard's contribution to KU volleyball has proven to be transformational, yielding four Big 12 Conference Coach of the Year awards while overseeing KU's steady transition into a national contender.

The western Kansas native with a lifelong passion for all things KU has led the Jayhawks to fiveearned their fifth-consecutive and highest national seed (No. 5) in the NCAA Tournament to earn the right to host the first and second rounds for the fifth-consecutive season and second time at Horeisi.

No Kansas team in the 40-year history of volleyball at the University of Kansas had won a conference title. That all changed in 2016 as Kansas tore through the Big 12 regular-season schedule with a 15-1 record to capture sole possession of its first-ever conference title. Each win during league play was crucial, including five five-set victories, but on Oct. 29, 2016 the Jayhawks symbolically dethroned five-time reigning Big 12 champion Texas by defeating the Longhorns for the first time since 2003.

KU won its last 14 Big 12 matches during the 2016 season and clinched the league title during a memorable five-set Senior Day victory over lowa

straight NCAA Tournament appearances, including a national semifinalist finish in 2015 and a Big 12 Conference title in 2016. Entering the 2017 season, the Jayhawks have been nationally-ranked in the AVCA Coaches' Poll 31-straight times and have finished the last five seasons with a top-15 ranking in the NCAA RPI.

Bechard, the winningest coach in Kansas volleyball history, reached 300 victories at Kansas in 2015 and collected his 1,000th career win in 2014. Both milestones put him in elite company, with the latter putting him second among active Big 12 Conference coaches. Since his arrival on the coaching scene in 1985, Bechard spent 13 seasons on the sidelines of Barton County Community College in Great Bend, Kansas, before taking over the reins at the University of Kansas.

Additionally, Bechard has built a solid fan base for Kansas volleyball as the Jayhawks have consistently finished among the nation's top atmospheres in both capacity percentage and match-day environment. In back-to-back seasons (2016 and 2017), Kansas sold out its entire allotment of season tickets for Horejsi Family Athletics Center.

All eight of KU's NCAA Tournament appearances occurred in the Bechard era and every postseason trip breaks new ground. In 2016, the Jayhawks

State on Nov. 19. It was a fitting way to bid farewell to seniors Maggie Anderson, Tayler Soucie, and Cassie Wait, who helped KU achieve unprecedented success during their playing careers. The trio guided Kansas to 104 victories and the highest four-year winning percentage (.819) in program history.

Bechard coached four AVCA All-Americans during the 2016 season, including first-team honoree Kelsie Payne (right-side hitter), third-team honoree Ainise Havili (setter), and honorable mention selections Cassie Wait (libero) and Madison Rigdon (outside hitter).

With a conference title in tow, Kansas nearly swept the Big 12 postseason awards as Bechard was named Big 12 Coach of the Year for the fourth time in five years, Payne named Big 12 Player of the Year, Wait named Big 12 Libero of the Year, and Havili named the back-to-back Big 12 Setter of the Year. It marked the first time in program history KU has collected the conference's Libero of the Year and Player of the Year awards, respectively.

In the last five seasons, Bechard has led the Jayahwks to 130 victories, five NCAA Tournament appearances, and a pair of rings – the 2015 Final Four appearance and the 2016 Big 12 title. But more than developing success on the court, Bechard has overseen a culture of leadership and dedication to

excellence in all areas of life.

The leaders of the campus have taken notice.

"Thank you, ladies, for everything you have done for this school. I talk about you all the time and hold you up as the banner program for the rest of our programs. The way you get it done on and off the court — no one matches you. Thank you," Kansas Director of Athletics Dr. Sheahon Zenger said at the 2016 team banquet.

During the 2015 season, Bechard guided the Jayhawks to program records in hitting percentage and kills per set while advancing to the sport's biggest stage in Omaha, Nebraska, by defeating No. 1 seed USC in the NCAA Tournament regional finals. The Jayhawks tore through the nonconference schedule with a 19-0 start and ended the season with a 30-3 record with the only three losses to the teams that played for the national title – Texas and Nebraska.

Along the way, Bechard earned Big 12 Coach of the Year for the third time in the previous four seasons and was named national coach of the year by PrepVolleyball.com and Hero Sports. Bechard's

associate head coach, Laura "Bird" Kuhn, was named the AVCA National Assistant Coach of the Year.

Kansas did not have a first-team All-American prior to 2015, but during the season's unprecedented run the Jayhawks had two. Bechard's potent 2015 offense was led by AVCA First Team All-American setter Ainise Havili and AVCA First Team All-American right-side hitter Kelsie Payne.

Not only did the 2014 season play witness to Bechard's 1,000th career victory, but Kansas continued its tear through the Big 12 standings. KU overcame an 0-3 start in league play to storm back and finish the year tied for second in the conference. Prior to 2013, Kansas had never finished as high as second place.

Bechard and his staff brought in the 15th-ranked recruiting class in 2014 to compensate for the seven seniors lost in 2013. In the class included Big 12 Preseason Player of the Year and Women's Junior National Team member Ainise Havili. The setter was no joke, breaking the KU freshman assists record, simultaneously leading the league. She and Kelsie Payne, who averaged more than a block per set and

hit .341, were awarded Big 12 All-Freshman Team honors. Havili also became KU's first freshman to earn AVCA All-America Honorable Mention honors.

At the conclusion of the season, Bechard said goodbye to a pair of two-time All-Big 12 First Team seniors Chelsea Albers and Sara McClinton. Together, the duo garnered four winning seasons and 88 victories - the most by a KU senior class. While McClinton ended her career with the sixthmost kills in KU history, Albers earned AVCA All-America Honorable Mention recognition.

After starting the year ranked on the preseason poll, the Jayhawks were ranked or receiving votes 10 times in 2014. Against the sixth-toughest schedule in the NCAA, Kansas squared off against perennial powerhouse Penn State for the first time in program history and defeated Sweet 16 team American University in the same tournament. They swept Kansas State in Manhattan for the second-straight year. Once again, KU matches aired on Time Warner Cable SportsChannel, ESPNU and Fox Sports. Bringing volleyball into the national spotlight is a major source of pride for the Jayhawk veteran.

the winningest season record with a .788 winning percentage (26-7) and finish the last half of the year ranked in the top 25, Bechard immediately instilled his "successful to significant" philosophy. The mindset spread quickly throughout the team – and caught on through 2013, 2014 and beyond.

By 2013 season's end, Bechard and the Jayhawks achieved their highest Big 12 finish in league history (2nd, 12-4), broke the school's hitting percentage record (.254), swept in-state rivals Kansas State for the second-consecutive season and saw four different players reach All-America status. Senior middle blocker Caroline Jarmoc, the program's first All-America selection in 2012, earned the honor for a second-straight season in 2013 from the AVCA. Alongside her were teammates Erin McNorton, Albers and McClinton, each of whom earned All-America Honorable Mention recognition.

Known for primarily working with the setters, Bechard was rewarded indirectly when McNorton transformed from a walk-on into the Big 12 Setter of the Year in 2013. A true leader, Bechard was happier for McNorton's accolade than his own when he was named the Big 12 Coach of the Year and the AVCA Midwest Region Coach of the Year for the second time in as many years to conclude the 2013 regular season.

Ranked No. 20 on the early poll, the Jayhawks entered the 2013 season with nine of their first 10 matches on the road. The loaded slate included home-and-home matches against defending national champion Texas and three other Big 12 teams that reached the NCAA's in lowa State, Kansas State and Oklahoma. In addition, the Jayhawks squared off against Notre Dame, Arkansas twice, Creighton, Central Arkansas and Bowling Green, all of whom played in the 2012 NCAA Tournament.

Kansas ran with it, racking up a 10-4 record away from home, including true road victories against

Arizona (RPI: 20), Iowa State (RPI: 21), Arkansas (RPI: 40) and a comeback win at National Runner-Up Wisconsin (RPI: 15). Aside from attack percentage, the Jayhawks also broke the program record for block assists in a single season (522) and tallied the fourth-most kills (1,801) and second-most assists (1,694) in program history. The Jayhawks led the Big 12 in assists (13.55) and kills (14.41) per set, which ranked 12th and 15th in the NCAA, respectively.

After falling to No. 3 overall-seeded Washington in the Sweet 16, KU ended the 2013 season ranked No. 17, tying the highest ranking in program history. Kansas also finished at No. 12 in the final RPI.

Bechard came to KU after spending 13 years as the head coach at Barton County Community College in Great Bend, Kansas. After a stellar coaching career at BCCC, Bechard was inducted into the National Junior College Athletic Association Volleyball Hall of Fame in 1998. In 13 seasons at Barton County, Bechard posted a career record of 716-60 (.923 winning percentage) and coached 23 Academic All-Americans. He completed his career at BCCC with the highest all-time winning percentage among junior college/community college coaches and ranked fourth all-time with 716 career wins. Twice (1990 and 1993) Bechard was named the AVCA National Junior College Coach of the Year, and he was selected the AVCA District IV Coach of the Year 12 times.

In 1995, he was an assistant coach for the USA Volleyball Youth National Team which won the Slovakian Cup Championship in Zilina, Slovakia. Bechard, who was the only non-Division I coach on the staff, coached alongside TCU's Sandy Troudt and Penn State assistant Erin Tomblin. The team competed against youth teams from Poland and Slovakia.

Bechard began his coaching career when he served three years (1980-83) as head coach of the girls' volleyball team and the boys' basketball team at Lewis High School in Lewis, Kansas. The first sign of his coaching talent was evident as he directed LHS to a pair of conference titles on the volleyball court.

A member of the American Volleyball Coaches Association, Bechard served as president of the organization in 2010. He was also a member of the board of directors of the AVCA from 1992-98 and has presented at the AVCA National Convention on two different occasions. Bechard was also president of the NJCAA Volleyball Coaches Association from 1989-92.

A native of Grinnell, Kansas, Bechard played basketball at Barton County, where he helped the Cougars to a 45-13 record in his two seasons. Following his junior college playing career, Bechard attended Fort Hays State University where he graduated with a bachelor's degree in physical education in 1980. Two years later, he received his master's degree in physical education from FHSU.

Bechard is married to the former Pamela Brown. The couple has two children and three grandchildren. Their daughter Ashley was a KU letterwinner in volleyball from 2001-04, and married Erik Henkelman in 2011. Erik and Ashley have two children – Evelyn (Evie), born in July 2014, and Hutchins, born in August 2017. Their son, Brennan, who played on the Kansas men's basketball team from 2007-09, is now the men's basketball director of operations at KU and is married to the former Danielle Hayes. Brennan and Danielle gave birth to their first child, Lucy, in April 2017.

Associate Head Coach

Winner of the 2015 AVCA Assistant Coach of the Year, Laura "Bird" Kuhn, will begin her seventh season at Kansas in 2017, and her third as the Jayhawks' associate head coach. The former Georgia Tech standout was named a volleyball assistant coach for the University of Kansas on March 22, 2011. She was promoted to associate head coach on Jan. 16, 2015.

Kuhn was named the AVCA National Assistant Coach of the Year after helping guide the Jayhawks to program records in hitting percentage and kills per set while advancing to the sport's biggest stage at the NCAA Final Four after defeating No. 1 USC in the regional finals. The next season, Kuhn helped KU reach another unprecedented mark — winning the program's first Big 12 title (outright) with a 15-1 league record.

Since Kuhn arrived at Kansas for the 2011 season, the Jayhawks have reached unprecedented marks. With "Bird" on staff, KU has won 118 matches in five seasons, spent the majority of 2015 and 2016 in the top-10 of the AVCA Coaches' Poll, hosted the NCAA Championship First and Second Rounds four-consecutive seasons, won the program's first Big 12 title and advanced to the program's first NCAA Final Four.

She joined the coaching ranks following her playing career (2001-04) and arrived in Lawrence after spending three years as an assistant at Miami (2008-10). She has also made stops as an assistant coach at Appalachian State and Florida State.

Kuhn's impact is unquestionable. After only one year at Kansas, she helped head coach Ray Bechard to Big 12 Coach of the Year awards in four of the last five seasons (2012, 2013, 2015, 2016). Kuhn also took part in coaching success with former bosses. Appalachian State head coach Matt Ginipro earned Southern Conference Coach of the Year honors in 2007, her only year with the Mountaineers. After her first season at Miami, Kuhn saw Hurricanes' head coach Nicole Lantagne-Welch earn 2008 ACC Coach of the Year and AVCA Region Coach of the Year honors.

As the Jayhawks' recruiting coordinator, Kuhn rarely has her phone off, working around the clock to get potential players excited about becoming Jayhawks. She led the charge of KU's 15th-ranked recruiting class of 2014, which included future All-Americans Kelsie Payne, Madison Rigdon and Ainise Havili.

It's not possible to list Kuhn's strengths without mentioning her integral role in the Jayhawks' training. She works primarily with the middle blockers, and her effect is easy to see. The Jayhawks have watched their blocking numbers soar to the top-tier of the Big 12 in each of her seasons at KU. In 2012, the Jayhawks racked up 2.62 blocks per set, good for second in the conference and 31st in the NCAA. Also in 2012, the Jayhawks recorded 492 block assists, the most by a KU team since 1996. A year later, in 2013, the Jayhawks broke the school single-season record with 522 block assists.

In 2014, Kansas' middle blocking corps dealt with the departure of its all-time blocks leader and twotime All-American Caroline Jarmoc. With Kuhn's guidance, Kansas still finished third in the league in blocks, while sophomore Tayler Soucie completed the season as the Big 12 blocking leader with 1.40 blocks per set.

During her four years playing at Georgia Tech, the Yellow Jackets won three ACC regular season championships, one ACC tournament title and advanced to the NCAA Tournament in each of her four seasons. The teams advanced to the Sweet 16 in 2002 and 2004, and charged their way to the Elite Eight in 2003. Kuhn played the right side position her final three years at Georgia Tech, starting all three seasons.

A native of Tiffin, Ohio, Kuhn was a two-sport star at Calvert High School, where she excelled at both volleyball and basketball. While in high school, Kuhn earned Junior Olympic All-America honors for the Toledo Volleyball Club in 2000. Kuhn earned a Bachelor of Science degree in business management from Georgia Tech in 2005.

Assistant Coach

Todd Chamberlain will enter his eighth year as an assistant coach at Kansas in 2017. At KU, Chamberlain works primarily with the Jayhawks' outside and right-side hitters, but is a major component to the team's overall training. He serves as the team's video coordinator and camp director, while assisting with recruitment.

Chamberlain also guid Chelsea Albers into two of their era in the Big 12 hitters in KU history to with AVCA honorable means the team's video coordinator and camp director, while assisting with recruitment.

In four of Chamberlain's seven seasons, he has helped head coach Ray Bechard earn the Big 12 Coach of the Year award (2012, 2013, 2015, 2016) and helped associate head coach Laura Kuhn earn AVCA National Assistant of the Year (2015).

The Kansas offense has progressed in each of Chamberlain's years with the program – but none more so than 2015 when the team broke two program records with a .299 attack percentage and 15.1 kills per set.

In his role with the hitters, Chamberlain has guided one of the program's brightest stars — All-American Kelsie Payne. Chamberlain helped transition Payne from a middle blocker in 2014 to a right-side hitter in 2015, which yielded unprecedented success as she went on to become the program's first AVCA First Team All-American, with teammate setter Ainise Havili, and set KU's record for kills in a season (496). With the help of an All-American setter, the 2015 Jayhawk hitters recorded a program-record .299 attack percentage.

Chamberlain also guided Sara McClinton and Chelsea Albers into two of the most lethal attackers of their era in the Big 12. The duo became the first hitters in KU history to reach All-America status with AVCA honorable mention recognition in 2013. Both were named to the All-Big 12 First Team, the second-straight season for McClinton and the first time for Albers.

Chamberlain arrived at Kansas following a oneyear stint as the volunteer assistant coach at the University of Kentucky in 2009, during which the Wildcats experienced one of the most successful seasons in program history. Kentucky finished 29-5 overall, appeared in the NCAA Tournament for the fifth-consecutive year and advanced to the Sweet 16 for the first time since 1992. While at UK, three players earned All-America honors, including honorable mention outside hitter Sarah Mendoza. Mendoza finished the season as the Southeastern Conference leader with 4.12 kills per set.

Chamberlain played volleyball for four seasons at Ball State University, where he earned first-team All-Midwestern Intercollegiate Volleyball Association (MIVA) honors as a senior after pacing the squad with 3.29 kills per set. Ball State was nationally ranked for portions of all four of Chamberlain's seasons; the Cardinals compiled a 78-39 (.667) record during those years.

No stranger to the coaching sidelines, Chamberlain has guided several teams to national and state titles. For two seasons Chamberlain worked as an assistant coach under Steve Shondell at Burris High School in Muncie, Indiana. The Burris squad captured the 2-A state championship in both 2008 and 2009. Chamberlain also worked with Mike Lingerfelter as an assistant coach for the Munciana Samurai 18-1 Club team. That squad went on to capture not only the 2009 AAU national championship, but also the 2009 JVDA national championship.

In addition to his collegiate playing career, Chamberlain was a left-side attacker on the 2006 Youth National team that played internationally in Cabo Frio, Brazil. In 2007, Chamberlain was a left-side attacker for the Junior National training team that practiced at the Olympic Training Center in Colorado Springs, Colorado.

He has served as a camp counselor for camps at Kentucky, Purdue and his alma mater. Additionally, Chamberlain has instructed at elite camps hosted by Saint Louis and the Kentucky-Indiana Volleyball Association (KIVA).

Chamberlain, a native of Louisville, Kentucky, graduated in 2009 from Ball State with a bachelor's degree in communications. He began his volleyball career as a star-athlete at Louisville's Trinity High School.

In addition, tennis coach Todd Chapman was named 2016 Coach of the Year for the Central Region after leading the Jayhawks to their first NCAA Tournament appearance in 17 years.

Stressing a culture of competitiveness and citizenship, Zenger has instituted KU Leads, a student-athlete development program dedicated to fostering committed leaders and supporting career development.

ROCK CHALK

Former Kansas Volleyball manager Skyler Yee enters his second season as volunteer assistant coach during the 2017 season.

Yee joined the coaching staff in 2016, helping guide the Jayhawks to the program's first-ever Big 12 Conference title. Yee served as a team manager during the 2013, 2014 and 2015 seasons.

"Skyler is as passionate about the sport of volleyball as anyone I have been around," Kansas head coach Ray Bechard said of Yee. "Whether he's in a conversation with someone brand new to the sport, or someone who plays at a high level — he has an unbelievable motor for trying to learn and share what he knows about technique, strategy, and training. He will be outstanding in this role for us."

The Overland Park, Kansas native will help instruct KU's defensive specialists, among other duties.

Strength and conditioning coach Luke Bradford begins his eighth year with the Kansas volleyball program in 2017. A vital component of the Jayhawk coaching staff, Bradford is in charge of designing and implementing a year-round strength program for the KU volleyball team.

Bradford was instrumental in the training and injury-prevention methods that kept the Jayhawks in prime condition to help the team achieve unprecedented accomplishments, including a NCAA semifinalist finish in 2015 and a Big 12 title in 2016.

He works with volleyball's certified athletic trainer, Ann Wallace, to apply rehabilitation methods and strategies for injured players as well as injury prevention. In addition to volleyball, Bradford displays his diverse background in several areas of sport as he also works with Kansas' swimming and diving, soccer, men's golf and baseball teams.

Bradford, who obtained a master's in exercise science at Kansas, came to Lawrence from Friendswood, Texas, where he spent seven years working at Xcel Performance and Fitness. While at Xcel, Bradford worked with athletes of all ages with speed development programs. He assisted physical therapists with the evaluation of patients by way of biomechanical gait and running analysis, while also implementing rehabilitation strategies.

As Associate Athletics Director, Public Affairs, Marchiony serves as the department's liaison with local and national media. He also serves as the sport administrator for KU's volleyball and tennis programs.

Marchiony came to the University of Kansas in August 2003 from the University of Connecticut, where he was Associate Athletics Director for External Relations. His primary duties at UConn involved television and radio, marketing, corporate sponsorships, licensing and sports communications.

Prior to his time at UConn, Marchiony worked for 18 years at the NCAA, the last five years as media coordinator for the NCAA Division I men's basketball tournament. Before assuming that role, Marchiony served in various communications positions, including supervising the television production of NCAA championship events and selected other events.

Before going to the NCAA, Marchiony was Director of Sports Information and a Regional Director of Development at Georgetown University; prior to that he was SID at Iona College. He earned a Bachelor's Degree in Journalism from St. Bonaventure University.

Marchiony has served on the NCAA Division I Women's Volleyball Committee. He served as a media liaison for the United States Olympic Committee at the 1984 Olympics in Los Angeles and at three USOC National Sports Festivals.

He and his wife, Mary Beth, have a son, Donald (wife Blair) – both dual-degree graduates of the University of Kansas – and a grandson, Beckett.
